

A SALE WITHOUT A NAME OR STRING ATTACHED TO IT We have no time to make it fancy. We are too busy to attend to our business. We don't keep an advertising man; pay him and charge it to the public. Our policy is to get the best for the lowest price and give to the people the same way. We pay cash and get the diamonds! We run the business economically and the people get the benefit. That's why we can undersell the others and make them SORE, but we don't care. Our stock must be sold by January 1st, and will open another location by the 15th. Libbey's Cut Glass, Gorham Sterling Silver, Howard, Elgin, Waltham, Hamilton Watches, a nice line of Souvenir Spoon, Diamonds and Jewelry suitable for the best jewelry store in the city.

Sure Indications of Lung Trouble

Among the indications of threatened Lung Trouble are a continued cough, fever and night sweats. A change of climate often helps, but it seems that something more is needed to stop the cough and sweats and arrest the progress of disease. Eckman's Alternative, after many years of use, is known to be most beneficial in bringing about relief, in many cases complete recoveries. Investigate this case—

"Gentlemen: I had a terrible cough, night sweats and pleurisy in my lungs. A man who heard me coughing advised me to take your Alternative. I paid no attention to him then. I got so bad the doctor said I should go to Wyoming. I did, and when I got there I steadily grew worse. Then I remembered what had been told me about your medicine. I began taking it with no faith whatever, but before I had taken three bottles, I could eat anything. Fever and night sweats stopped and for over a year I have been well and in better health than I ever was."

(Attorney) W. F. BOMAR.

(Above abbreviated; more on request.) Eckman's Alternative has been proven by many years' test to be most efficacious in cases of severe throat and lung affections, bronchitis, bronchial asthma, stubborn colds and in up-building the system. Does not contain narcotics, poisons or habit-forming drugs. For sale by all leading druggists. Write the Eckman Laboratory, Philadelphia, Pa., for booklet telling of recoveries and additional evidence.
